

KESTELL

#210 Series Chair

By far, the Best Rental Chair on the market.

Upholstered, Locking Seat Pad

Pioneered by KESTELL, our seat pad is easily installed and locked in position. Three-point attachment prevents any movement!

Quality...

From Start To Finish

- Northern Wisconsin hard maple
- Precision machining & joinery
- Dipped industrial oil primer
- Dipped industrial oil enamel
- New, tough-as-nails finish on stained chairs

PLUS!

The pride our family-owned and operated business takes in every chair we build!

Buy American -- Buy Kestell

Get More Value For Your Dollar

For over 60 years, others have tried to copy our #210 chair - and they still don't have it right! Buy our #210 series chair and get our quality and durability...or buy a copy and settle for a lot less!

The KESTELL folding chair is the wisest choice for the rental industry. These features show why Kestell chairs are stronger and last longer.

Seat Lock and Hinge

Simple and Strong!
The KESTELL design utilizes the full width of the rear leg to form a solid lock for the seat frame.

**Made in the
U.S.A.**

Extra-Deep Mortise Pockets...

...Extra-Length Tenons
Glued and pinned for greater strength and rigidity!
